

Footscray Hospital Community Open Day

Explore Footscray's new People's Hospital

At your own pace, scan the QR code to access a self-guided audio tour to hear about the hospital's design, vision and innovations from the project architects, artists and hospital staff.

This map features coloured pin drops that guide you through key areas of the hospital. Each pin drop marks a stop on the self-guided audio tour.

Simply arrive at each stop on your map, scan the QR code and listen to discover more about the new Footscray Hospital.

Geelong Road

Federal Street

Thank you for joining us at the Footscray Hospital Community Open Day.

Western Health is looking forward to the opening of the new Footscray Hospital on Wednesday 18 February 2026.

Please be aware that at 8am on 18 February 2026, the current Footscray Hospital Emergency Department (located on Eleanor Street, Footscray) will close to new patients.

From 8am, anyone requiring emergency care should go directly to the new Footscray Hospital Emergency Department, located at 20 Geelong Road.

You can access the Emergency Department from both Ballarat and Geelong roads.

A vehicle drop-off zone is clearly signed in front of the Emergency Department entrance.

Please share this information with your family and friends.
Thank you for your patience as we settle into our new hospital.
